## Snow Ice Cream

You can make this as a tasty dessert at home with your parents permission!

Here is a recipe for snow ice cream. It is best made with fresh snow and is super yummy!

- 1 cup of milk
- $\frac{1}{3}$  cup sugar
- 1 teaspoon vanilla extract
- 1 pinch of salt
- 8 cups of fresh snow
- Sprinkles to top!

1. Whisk the milk, sugar, vanilla, and salt together in a bowl
2. Collect fresh snow in a different large bowl and then pour the mixture over and stir
3. Enjoy! Top with sprinkles

The snow does melt quickly so eat immediately
